

VALUE PACK REPORTS

FOR athenaPractice™

Boost Productivity with Value Pack

Be in-the-know and maximize your efficiency with Value Pack, a collection of reports to help illustrate all aspects of your athenaPractice usage.

Do you want a clear picture of where your front office stands? Would you like the ability to trend your practice data? Would increasing the capabilities of athenaPractice be helpful? Quatris Healthco's Value Pack Reports can help manage and illustrate all aspects of your athenaPractice usage. With more than **540 reports**, you have the ability to expand, drill and trend your data in a manner that is important to your practice.

Quatris Healthco Value Pack Reports are available via two options:

1. Subscription - receive unlimited reports throughout the year
2. Specific report - purchase one (or more) reports as needed
